

AGA NEW ORLEANS MEMBERS:

Your chapter of AGA has added a new benefit for members. Effective August 28, 2011 AGANO members will be able to register for Becker Professional Education's CPE courses at a discounted rate available only through your chapter.

Becker is offering a subscription to all CPE course offerings for twelve months at the cost of \$350 per year per member. Currently over 130 course offerings are available and more are being added monthly. Becker's CPE which is offered online via webinar or on demand is NASBA, AICPA and QAS approved. Becker's course catalog can be viewed at www.bekeercpe.com. Demos of all course offerings are available for viewing at this site.

This is a great opportunity not only for members to save a substantial amount of money on quality CPE but also an opportunity to grow the membership of your AGA chapter.
